Chapter 1 by Soccer_5

I opened my eyes sleepily, what was that sound? My phone was buzzing loudly. No caller idea it read, that was weird. I grabbed it up and held it to my ear. On the other end of the line a man said "There is a car waiting for you outside, get in you don't want to ignore this," The line went dead.

My wife Isabel leaned over and said "Hey is everything okay?"

"Yeah just a call for work, I'm going to go to the bathroom," I said. I crept out to the front door and cracked it open.

Chapter 2 by Unkie

I stepped outside and sure enough, there was the car just as the stranger told me. Actually it was a Rolls Royce Limo. The door was open so I walked over and looked inside. A note was laying on the seat with instructions.

Chapter 3 by Ko-kan

Take off your shoes and shirt. Put on the collar provided and tape your mouth with the duct tape on the seat.
